Administrative Assistant

March was a busy month, and April is set to follow suit. We kicked off March with a Mardi Gras flourish with the Oil Festival Committee's Mardi Gras Masquerade Ball, Saturday March 1 at **Timber Lake Lodge**. DJ Randy Covell of **CR Music** provided the great entertainment and **Stewart's Premier Catering** supplied the delicious food. We got into the Mardi Gras spirit and raised some money for Oil Festival 2014. Thanks to all who participated!

The following weekend I was honored to be included as a guest at the **University of Pittsburgh at Titusville's 50th Anniversary Banquet**. It was a lovely evening to learn more about the history of this institution and celebrate its importance to our community.

Thursday, March 13 **Bromley's Hillhurst Bed and Breakfast** hosted a meeting of the Trail Town Committee with guest speaker Will Prince, Trail Town Program Manager. This informative presentation highlighted the benefits of being a Trail Town in terms of bringing people (and dollars!) to our area.

Kick Butts Day, part of the Campaign for Tobacco Free Kids took place Wednesday, March 19 at the **YWCA**. Interactive displays educated kids on the dangers of smoking and encouraged them to lead a healthy lifestyle.

For those of you worried I may leave my post as chamber director to join the Professional Women's Bowling Association tour, take comfort in the gutter ball I threw on the first roll of **Bowl for Kids' Sake** at **Lin Van Lanes** Saturday, March 22. Fortunately—thanks to several generous donations by our members—I'm a much more successful fundraiser than I am a bowler. The Chamber of Commerce team (pictured on the cover of this newsletter) consisted of Dick Beach, Jr., Matt Johnson, Shannon Stevenson, and our ace administrative assistant, Susan Drake, who is as good on the lanes as she is at the books. We all had a great time and were more than happy to help out this worthy cause. Bowl for Kids' Sake raises money for **Big Brothers and Sisters**, an organization

that pairs kids with mentors. The money raised at the Titusville and Meadville bowling events stays in Crawford County and helps the organization serve more than sixty families. If you weren't able to participate or donate, but would like to, please contact Big Brothers and Sisters of Crawford County at 814-827-1831.

Those are just some of the highlights from March. There is much to look forward to in April. Please take your time to look through this newsletter and share it with your coworkers and friends.

This issue is packed with information about upcoming **Chamber Month** activities including the Rotary/Free Enterprise Luncheon, the Women in Business Expo, the Volunteer Recognition Luncheon, and of course, the Annual Banquet and awards presentation.

We are still looking for golfers and sponsors for the **Titusville Tee Off** scheduled for Wednesday, June 18 at **Mt. Hope Golf Course**. Please see this month's insert and contact us with questions.

Ron Kerr is busily visiting area businesses looking for sponsors for **Titusville Day at the Crawford County Fair**. This is a great way to show your support of our community to the greater region and get your organization's name out there, too.

We are excited for Chamber Month and this opportunity to celebrate our members and their accomplishments. We're also looking forward to announcing the 2013 Citizen of the Year. We are fortunate to be part of such a wonderful community, and are happy to be honoring you all Chamber Month long!

Sincerely,

*Emily*

### King Cake

King Cake is a Mardi Gras tradition in which a plastic baby is hidden in a pastry. Whoever's slice contains the baby is named the king or queen of Mardi Gras. No one found the baby in our symbolic King Cake at our Masquerade Ball so we will try again for a winner closer to Oil Festival. Stay tuned for details!

your support!***

## Open House Review

If you haven't been to a chamber open house lately, you're missing out! Since our March newsletter was printed, we have had two great open houses. The first was "The Art of Doing Business," Wednesday, February 26, hosted by the Titusville Council on the Arts at Farmers National Bank. More than a dozen local artists lined the lobby to exhibit examples of their work, ranging from photography to oil painting to jewelry making to furniture design. Subway, Sheetz, Titusville Dairy, and The Blue Canoe Brewery provided food and beverages for guests while Joe Thompson and Friends supplied musical entertainment. This particular evening served as a meet and greet so names and artwork could be put with faces and area business people could network with one another and the artists. The lively crowd of more than eighty enjoyed the sights and sounds beneath one of Titusville's greatest artworks, the Colonel Drake mural. We are grateful to the Titusville Council on the Arts for all its members do to encourage creativity and appreciation of the arts in our community.

Thursday, March 20, the Titusville VFW Post #5958 opened its doors to the chamber. The social hall, decorated with party lights and patriotic memorabilia, was filled with about fifty chamber members and guests. The VFW shared favorites from their menu including garlic knots and stromboli. VFW Honor Guard member and Senior Vice, Donnie Taylor shared some information about the beginning of the Titusville VFW. His father was a founding member. Bar Manager Debbie McClellan described just some of the activities the VFW does: bar room bingo on Tuesdays, sponsoring scholarships for local students, supporting troops and veterans, and participating in community service projects. Individuals can join the VFW through social memberships even if he or she does not have military experience. Contact the VFW at 814-827-6223 for details. We thank the VFW for their hospitality and great work in our community.

On Tuesday, April 1, the Titusville Area Chamber of Commerce and Titusville Rotary Club will be hosting a joint luncheon highlighting the internationally acclaimed program, "Pennsylvania Free

Enterprise Week." John J. Trombetta, president & CEO of the organization that presents PFEW each summer, will talk about the program and the unique opportunities available to students throughout the state and specifically in the Chamber's service areas.

The subject of Mr. Trombetta's talk is "The American Free Enterprise System - Do Our Kids 'Get It' -- Does Anyone?!" The Foundation for Free Enterprise Education annually presents PFEW to qualified high school sophomores and juniors throughout the state. Now celebrating its 36<sup>th</sup> year of operations, PFEW was founded by the Pennsylvania business community specifically to teach our state's youth about the wonders of the private enterprise system and also about the issues that face all U.S. companies, and specifically those located in the commonwealth.

PFEW is open to all current 10<sup>th</sup> and 11<sup>th</sup> graders and will host five, seven-day sessions in July and August on the campuses of Lycoming College and the Pennsylvania College of Technology respectively, both located in Williamsport. All students accepted into the program will receive a full scholarship (the actual value of the scholarship is roughly \$1,500 per student) donated by a Pennsylvania business or civic organization. Moreover, each of the two host campuses offers automatic scholarship grants to any PFEW graduate who ultimately ends up matriculating through their school as an undergraduate. In the case of Lycoming College, total award is \$20,000 for each PFEW alumnus. In the case of the Pennsylvania College of Technology, the total grant is \$8,000.

If you have children or grandchildren who are age-appropriate, we hope you will come to the luncheon to hear more about this internationally acclaimed program and hear from a local student who is a graduate. If you are interested in public awareness about the importance of business and private enterprise, PFEW has been filling what many perceive as a gap in public education for its entire thirty-five year history. A total of nearly 250 volunteers from the business community will be onsite this year to actually deliver the program. This year PFEW will graduate its 34,000<sup>th</sup> student with a vastly improved understanding of what the private sector means to the American way of life.

# RELAY FOR LIFE

## HELP FINISH THE FIGHT AGAINST CANCER.

The American Cancer Society Relay For Life movement is the world's largest fundraising event to end cancer, uniting communities across the globe to finish the fight. Dollars raised by more than four million Relay participants in more than 20 countries help the American Cancer Society save lives by supporting education and prevention efforts, funding groundbreaking cancer research, and providing free information and services for people with cancer who need them.

At a Relay For Life event, teams camp out at local schools, parks, or fairgrounds and take turns walking or running around a track or path. Each team is asked to have a representative on the track at all times, while entertainment, music, and fun activities keep things lively. Symbolizing the battle waged around the clock by those facing cancer, the overnight event lasts up to 24 hours. Teams raise money prior to the event, and then celebrate their fundraising efforts while honoring survivors and remembering those lost to cancer with ceremonies during the event.
